Code”), Rule 2014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 2014-1 of the Local Rules for the United States Bankruptcy Court for the Southern District of New York (the “Local Bankruptcy Rules”) for an order authorizing the retention of Reed Smith LLP (“Reed Smith”) as special counsel to the Debtors to, *inter alia*, serve as special insurance counsel to the Debtors in connection with the Debtors’ recovery of insurance proceeds.

3. Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein.

QUALIFICATIONS AND NATURE OF EXPANDED SERVICES

4. Reed Smith has represented the Debtors with regard to insurance matters since 2008, including as an ordinary course professional in these bankruptcy cases, and has become intimately familiar with the Debtors’ businesses and the insurance issues that have arisen or may arise. In addition, Reed Smith has extensive experience in, among other areas, insurance litigation. Reed Smith routinely advises its clients on all aspects of insurance law, including, insurance litigation, and recovery. Reed Smith’s experience is broad and it encompasses, among other things, catastrophic property losses and products claims, to securities litigation and cyber losses. Reed Smith’s insurance recovery lawyers are international, collaborative, and experienced, offering a practical approach to addressing the Debtors’ insurance recovery needs. As a top-ranked, policyholder-focused practice, Reed Smith has assisted some of the world’s largest companies in resolving their complex insurance disputes.

5. As the Court is aware, the Debtor’s general bankruptcy counsel, Davis Polk & Wardwell LLP (the “Davis Polk”) is a large international law firm with substantial experience in bankruptcy law. As such, the services Reed Smith provides complement, and do not duplicate, those of Davis Polk. Reed Smith will only advise on matters concerning the Debtors’ insurance.

PROFESSIONAL COMPENSATION

6. Reed Smith's requested compensation for professional services rendered to the Debtors, once retained pursuant to sections 327(e) and 328(a) of the Bankruptcy Code, will be based upon the hours actually expended by each assigned attorney or staff member at their normal and customary hourly billing rate, subject to an agreed discount described below. In the normal course of Reed Smith's business, the hourly rates are subject to periodic increases that occur annually. To the extent such hourly rates are increased, Reed Smith requests that, with respect to the work to be performed after such increase, the rates listed below be amended to reflect the increase.

7. Fees to be charged for legal services will be based on Reed Smith's standard hourly rates. The hourly rates for the Reed Smith personnel that are expected to provide legal services to the Debtors are as follows:

Professional	Hourly Rate
Partners	\$715 to \$1,400
Associates	\$465 to \$700
Paralegals, Trainees, Support Staff	\$210 to \$505

The hourly rates billed by Reed Smith's personnel will be adjusted by a tiered discount agreed between Reed Smith and the Debtors. The amount of the discount increases upon reaching an agreed threshold level of fees billed on a gross (undiscounted) basis during the calendar year. For calendar year 2022, the following discounts apply upon reaching the following thresholds based on gross fees billed: in Tier 1, from \$0 to \$1,125,000, 13.0%; in Tier 2, from \$1,125,000 - \$2,300,000, 18.0%; in Tier 3, above \$2,300,000, 20.0%. The Debtors have agreed to compensate Reed Smith for professional services rendered with this adjustment to Reed Smith's normal and customary hourly rates.

8. The following attorneys and staff are expected to have responsibility for providing services to the Debtors (hourly billing rates noted beside the name) in relation to the subject matters identified below:

9. Reed Smith periodically reviews and adjusts its rates based on attorneys' experience and expertise. The next such adjustment is tentatively scheduled to take place on or around January 1, 2023.

10. Prior to applying any increases in its hourly rates beyond the rates set forth herein, Reed Smith shall provide ten days' notice of any such increases to the Debtors and the United States Trustee, and any party that files a Notice of Appearance in these cases. Reed Smith understands that these parties in interest retain all rights to object to such rate increase, and the Court retains the right to review any rate increase.

11. In addition to any fees payable by the Debtors' to Reed Smith, the Debtors have agreed to reimburse Reed Smith for its reasonable and necessary engagement-related expenses, including meals, lodging, travel, photocopying, third-party database fees, delivery, service, postage, vendor charges, and other out-of-pocket expenses incurred in providing the services. Such expenses will be included in the total amount billed but shall be billed separately on Reed Smith's invoices.

12. Reed Smith will apply to the Court for allowance of compensation for professional services rendered and reimbursement of expenses incurred in connection with these Chapter 11 Cases, subject to the Court's approval and in accordance with the applicable provisions of the Bankruptcy Code, Bankruptcy Rules, Local Bankruptcy Rules, the *United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases*, dated June 11, 2013, and any other applicable procedures and orders of this Court, including the requirement to file monthly fee statements per the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals*, dated November 21, 2019 [D.I. 529]. Reed Smith recognizes and has agreed to accept as compensation such sums as may be allowed by the Court and understands that interim and final fee awards are subject to approval by the Court.

13. Furthermore, Reed Smith confirms that the compensation structure is consistent with Reed Smith's normal and customary billing practices for cases of comparable size and complexity requiring the level and scope of services to be provided to the Debtor.

REED SMITH'S DISINTERESTEDNESS

14. Reed Smith has reviewed the list of parties in interest provided by the Debtors, a copy of which is annexed hereto as Annex 1. To undertake this review, Reed Smith used a set of procedures that it has developed to ensure compliance with the requirements of the Bankruptcy Code and the Bankruptcy Rules regarding the retention of professionals in chapter 11 cases. To check and clear potential conflicts of interest in this case, Reed Smith researched its client database to determine whether Reed Smith has any "connections" with the parties listed at Annex 1. Reed Smith has acted on unrelated matters for certain of those parties of interest, which are listed at Annex 2 hereto and discussed further at paragraph 15 to 19 below. To the best of Reed Smith's knowledge as of the date hereof, and except to the extent disclosed herein, Reed Smith

(a) is a “disinterested person” within the meaning of section 101(14) of the Bankruptcy Code; (b) does not hold or represent an interest adverse to the Debtors’ estates with respect to the matter which Reed Smith is to be employed; and (c) has no connection to the Debtors, and their creditors or related parties.

15. As set forth in Annex 2, Reed Smith represents a number of creditors of the Debtors on numerous matters unrelated both to the Debtors, generally, and to the matter on which Reed Smith is to be employed, specifically.

16. In addition, Reed Smith has a long standing representation of AmerisourceBergen (“ABC”), which is a party in interest, as an unsecured creditor and customer of the Debtors, in these Chapter 11 Cases. In January 2018 and in connection with the representation of ABC in opioid litigation matters, Reed Smith recommended, and the Debtors agreed, that Reed Smith would institute an ethical screening wall between matters for the Debtors and ABC. Prior to filing its OCP Affidavit and Retention Questionnaire, Reed Smith again discussed its representation of ABC with the Debtors. In connection with its retention as an Ordinary Course Professional, on December 5, 2019, Reed Smith filed the Affidavit and Disclosure Statement of Ann V. Kramer on Behalf of Reed Smith LLP [D.I. 585] (the “2019 Kramer Affidavit”), in which I disclosed the firm’s representation of ABC, as an unsecured creditor and customer of the Debtors, and represented that Reed Smith had established ethical walls between the two matters. A team at Reed Smith that is walled off from the Reed Smith team advising the Debtors continues to represent ABC as an unsecured creditor and customer of the Debtors in these Chapter 11 Cases.³ No Reed Smith attorney represents ABC in any capacity that

³ The information contained in this paragraph of my Declaration was previously transmitted to the Bankruptcy Court and the United States Trustee on or around August 3, 2021, in response to a question from Judge Drain

would be adverse to the Debtors or their estates with respect to the insurance matters upon which Reed Smith is advising the Debtors. Accordingly, in light of the nature of Reed Smith's ABC representation, the firm's long-standing attorney-client representation of the Debtors and the existence of the ethical walls, neither I nor the Debtors believe that Reed Smith's representation of ABC represents a conflict for the purposes of Reed Smith's employment to continue to advise the Debtors with respect to insurance matters.

17. In addition, as I disclosed in the 2019 Kramer Affidavit, as of December 5, 2019, Reed Smith represented Colorcon Inc. ("Colorcon") in its capacity as a vendor to the Debtors. Reed Smith no longer represents Colorcon in connection with the Chapter 11 Cases. Reed Smith last recorded time to the Colorcon matter, which was wholly unrelated to the insurance matters upon which it advises the Debtors, in 2019.⁴

18. As I disclosed in the 2019 Kramer Affidavit, Reed Smith at that time represented certain Shareholder Parties solely with respect to insurance matters. These Shareholder Parties were One Stamford Realty L.P., Pharmaceutical Research Associates, Inc., Purdue Pharma Canada, Purdue Pharma Technologies, Inc., and The Purdue Frederick Company. Reed Smith no longer represents any of the Shareholder Parties in any capacity, having formally disengaged as their counsel no later than May 2021.

19. To the best of my knowledge and information, with the exception of the parties identified in this paragraph 19 and their affiliates, none of the entities listed on Annex 2

regarding the status of Reed Smith's conflicts position in light of its representation of ABC in these Chapter 11 Cases.

⁴ In the 2019 Kramer Affidavit, I disclosed that Reed Smith had a claim against the Debtors in the amount of \$32,638.82 reflecting the amount unpaid fees and expenses for legal services rendered outstanding as of the Petition Date. I am authorized to confirm that Reed Smith does not intend to pursue or otherwise seek recovery from the Debtors in respect of this claim amount, and I hereby waive and disclaim any right or interest Reed Smith may have in pursuing this claim.

(each together with its respective affiliates) was the source of more than 1% of Reed Smith's revenue for the 12 month's ended December 31, 2021. Three of the Potential Parties in Interest, together with their affiliates, accounted for 1% or more of Reed Smith's revenues during the 12 months ended December 31, 2021. Reed Smith represents ABC, Wells Fargo and Walgreens (collectively, the "1% Potential Parties in Interest") in various matters. Other than as disclosed with respect to ABC, Reed Smith has never represented any of the 1% Potential Parties in Interests in any matters related to the Debtors. Reed Smith has considered the positions of the 1% Potential Parties in Interest in the Chapter 11 Cases and has concluded that Reed Smith's representation of them does not in any way affect Reed Smith's ability to represent the Debtors effectively. Due to the breadth of Reed Smith's global practice and extensive client base, the firm is not subject to undue influence by any single client.

20. Given the large number of parties in interest in these Chapter 11 Cases, despite the efforts to identify and disclose Reed Smith's relationships with each such party, Reed Smith is unable to state with certainty that every client relationship or other connection has been disclosed herein. Reed Smith will make continued inquiries following the filing of the Application, on a periodic basis, with additional disclosures to this Court if necessary or otherwise appropriate.

21. The Debtors are informed that Reed Smith will not share any compensation to be paid by the Debtors, in connection with services to be performed after the Petition Date, with any other person, other than other principals and employees of Reed Smith, to the extent required by section 504 of the Bankruptcy Code.

STATEMENT REGARDING U.S. TRUSTEE GUIDELINES

22. Reed Smith shall apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Debtors' Chapter 11

Cases in compliance with sections 330 and 331 of the Bankruptcy Code and application provisions of the Bankruptcy Rules, Local Bankruptcy Rules, and any other application procedures and orders of the Court. Reed Smith also intends to make a reasonable effort to comply with the United States Trustee's requests for information and additional disclosures as set forth in the U.S. Trustee Guidelines, both in connection with this application and the interim and final fee applications to be filed by Reed Smith in the course of its engagement.

23. I also provide the following information addressed in Paragraph D.1 of the U.S. Trustee Guidelines:

Question (a): Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Response: Yes, as described in paragraph 7 above, Reed Smith has provided the Debtors with a tiered discount that increases upon reaching an agreed threshold level for fees billed during the calendar year. For calendar year 2022, the following discounts apply upon reaching the following thresholds based on gross fees billed:

Tier 1 – 13.0%	\$0 to \$1,125,000
Tier 2 – 18.0%	\$1,125,000 - \$2,300,000
Tier 3 – 20.0%	above \$2,300,000

Reed Smith and the Debtors have agreed similar tiered discounting arrangements during the course of Reed Smith's engagement by the Debtors during these chapter 11 cases.

Question (b): Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

Response: No.

Question (c): If you represented the client in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

Response: In the 12 months prepetition, the Reed Smith partner, associate, and paralegal rates were billed at their hourly rates charged for comparable representations. The rate for partner billing on the Debtor's matters

prepetition was \$825 to \$1,110 per hour, the rate for associates was \$600 to \$670 per hour, and the rate for support staff, paralegals and legal assistants was \$350 to \$435 per hour. These rates were subject to a tiered discount that increased from 12.0% to 20.0% upon reaching certain agreed billing thresholds.

Question (d): Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?

Response: The Debtors last approved a prospective budget and staffing plan in May 2021 for the period through year end 2021. Reed Smith intends to provide to the Debtors a prospective budget and staffing plan for calendar year 2022 and will continue to work with the Debtors on the budget and staffing plan.

I hereby declare under penalty of perjury under the laws of the United States of America that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.
